

# North Rosedale Park Civic Association

2024 Community House  
Renovation Progress Report  
April 15, 2024

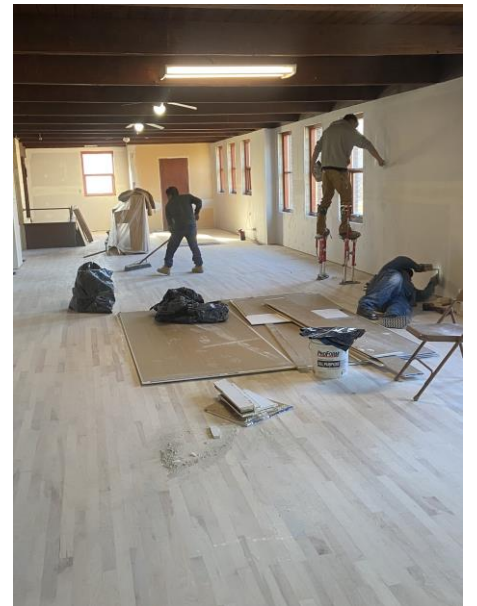

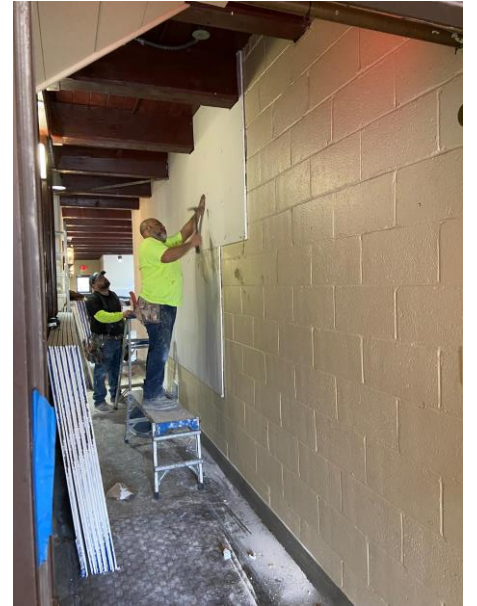

# Project Status Update

- The North Rosedale Community House is a community hub for members of the North Rosedale and Grandmont Rosedale neighborhoods in NW Detroit. The funds will be used to improve the community playground located on the grounds of the 4-acre site, repair the parking lot and sidewalks to improve stormwater management, and address deferred building maintenance through climate-smart repairs.
